

The Emin Way Presents...

A deepening into the Law of Two

In this workshop, we shall trace the Law of Two together - the great resistance, the great duality of life - into its natures, reasons and purposes. You are invited to bring some examples of this law with you - black and white, left and right, hot and cold - this law manifests everywhere, in everything.

This workshop, hosted by Servion, will be based in the coded lessons on the Natural Laws
