

The Emin Way Presents...

The Art of Questioning

In our quests and in our searches, we seek answers to help us understand our experiences, ourselves, others, and the world around us.

Behind every answer we receive, lies a new opportunity, a new awareness, a new discovery, a new consideration if we are able to find the question that will allow it to be revealed.

You are invited to join us on Sunday as we look at the art of forming questions that can invigorate our curiosity, expand our perceptions and enhance the meaning in our lives.
