

The Emin Way Presents...

LEARN, GROW, CHANGE, DEVELOP, EVOLVE

Each of these verbs refers to internal actions, to dynamic possibilities that are unique to the human being.

Even though we may not be consciously aware of and striving for the fulfillment of these possibilities, they represent natural urges at play all the time in each of us.

How do they work? Are they within our conscious control? What are the necessary ingredients?

You are invited to join us for this first in a series of workshops delving into the fundamentals of the human development journey.
